## **The Society of Emerging Leaders**

*Working as one . . .  
to improve the lives of many*

Members of The Society of Emerging Leaders (The SEL) are young professionals who want to work to make our community a better place by providing opportunities for education and service that require members to lead

### **Our Community Commitment**

The Society of Emerging Leaders are passionate and committed to giving, advocating and volunteering for meaningful projects where we can make a difference

### **The Society Emerging Leader Benefits and Opportunities**

Our Leaders are given the opportunity to make an impact in the Northern Shenandoah community through the following opportunities:

- On-the-ground volunteerism that promotes long-term community change
- Networking and social opportunities with a diverse group of young professionals , igniting professional and philanthropic growth
- Professional development events, where many of our community's most prominent leaders share their secrets for success! This also includes exclusive access to trainings, continuing education classes and seminars!
